

Terms and Conditions

Last updated: August 19, 2026

Welcome to Dorm Mart, an online marketplace exclusively for students of the University at Buffalo (UB). By creating an account or using our platform, you agree to comply with and be bound by the following Terms and Conditions. Please read them carefully before using Dorm Mart.

1. Eligibility

Dorm Mart is intended solely for active University at Buffalo students.

To use the platform, you must:

- Have a valid buffalo.edu email address.
- Be at least 18 years of age.
- Agree to comply with all university policies and applicable laws.

Dorm Mart reserves the right to suspend or terminate accounts that violate these conditions.

2. Platform Purpose

Dorm Mart serves as a peer-to-peer connection platform for UB students to buy, sell, or trade goods within the campus community.

We provide listing, communication, scheduling, and optional Stripe payment interfaces.

We do not:

- Act as the seller, buyer, escrow agent, or delivery service.
- Guarantee payment, item condition, delivery, or a successful handoff.
- Handle shipping or delivery.
- Verify the authenticity or condition of items listed.

When built-in payment is used, Stripe processes a direct charge for the seller. The seller, not Dorm Mart, is the merchant of record.

3. User Responsibilities

By using Dorm Mart, you agree to:

- Provide accurate and truthful information when creating listings or accounts.
- Communicate respectfully with other users.
- Conduct transactions safely and honestly.
- Meet in public or safe locations for in-person exchanges.
- Report suspicious or fraudulent behavior immediately.

You are solely responsible for your interactions with other users, including any agreements, disputes, or damages arising from your transactions.

4. Prohibited Items and Activities

The following may not be listed, sold, or promoted on Dorm Mart:

- Alcohol, tobacco, or controlled substances.
- Weapons, ammunition, or explosives.
- Stolen, counterfeit, or illegal goods.
- Digital goods requiring license transfers.
- Academic materials that violate university integrity policies.
- Any item or activity prohibited under UB's Student Code of Conduct or New York State Law.

Dorm Mart reserves the right to remove any listing or suspend accounts that violate these restrictions.

5. Payments and Transactions

A seller may offer optional built-in payment for an eligible Scheduled Purchase. Stripe processes the direct charge on the seller's connected Stripe account in US dollars. Dorm Mart does not receive the sale proceeds, charge a platform fee, or hold funds in escrow.

The seller chooses the payment amount when proposing the schedule. Buyer acceptance locks that amount. Payment is available only from the scheduled start time until 30 minutes later, and it must succeed before the cutoff. A verified timely Stripe payment automatically marks the purchase complete even if the physical handoff has not occurred.

The seller is the merchant of record and is responsible for Stripe processing fees, refunds, chargebacks, disputes, taxes, and compliance obligations. Stripe may require identity verification and may restrict, delay, or deny account access, charges, or payouts.

If built-in payment becomes unavailable or does not succeed before the cutoff, the Scheduled Purchase permanently returns to the manual confirmation flow. A late payment is automatically submitted for a full refund. Stripe processing fees may not be returned to the seller.

After a completed built-in payment, the seller may request one full refund through Dorm Mart while Stripe permits it and may keep the listing Sold or return it to Active. Refund timing and availability are controlled by Stripe and the payment networks. Disputes are handled in the seller's Stripe Dashboard.

We are not responsible for:

- Payment disputes.
- Stripe account decisions, payout timing, processing fees, refunds, returns, chargebacks, disputes, or failed deliveries.
- Losses resulting from fraud, scams, or user negligence.

Inspect the item and meet in a well-lit public space. Built-in payment does not provide escrow, buyer protection, delivery verification, or a Dorm Mart guarantee.

6. Disclaimer of Liability

Dorm Mart, its developers, and affiliated parties assume no responsibility for:

- Damages, losses, or injuries resulting from transactions or interactions between users.
- Misrepresentation of products or services.
- Any content posted by users.

- Technical issues, service interruptions, or data loss.

Dorm Mart is provided “as is” without any warranties, express or implied.

7. Account Suspension and Termination

Dorm Mart reserves the right to:

- Remove any listing deemed inappropriate or fraudulent.
- Suspend or delete user accounts violating these Terms.
- Restrict access to the platform for any reason deemed necessary to maintain safety or compliance.

8. Privacy

Dorm Mart collects minimal user data necessary for authentication and platform functionality (e.g., name, UB email).

We do not sell personal information. We share data with service providers, including Stripe when built-in payment is used, as described in our Privacy Policy.

Your account data may be deleted upon request by contacting the Dorm Mart support team.

For details, see our Privacy Policy (available separately).

9. Dispute Resolution

All disputes arising from the use of Dorm Mart must be resolved between the involved users.

Dorm Mart does not mediate transaction-related conflicts.

However, users may report misconduct or safety issues to UB Campus Police or Dorm Mart administrators for investigation.

10. Amendments

Dorm Mart may update these Terms and Conditions at any time without prior notice.

Continued use of the platform after such updates constitutes acceptance of the revised terms.

By clicking “Confirm” or using Dorm Mart, you acknowledge that you have read, understood, and agreed to these Terms and Conditions.
